Mission Week

July 22-28, 2018

Matthew 22: 37-39

**Jesus replied: 'Love the Lord your
God with all your heart and with all
your soul and with all your mind.'**

**This is the first and greatest
commandment. And the second is
like it: 'Love your neighbor as
yourself.'**

Mission Week July 22-28, 2018

What will my week look like?

Beginning Sunday July 22, we will gather at Aldersgate United Methodist for dinner at 6:00 followed by interactive activities and worship. This will be a time for getting to know one another with fun games. *What a great way to kick off our week of missions.*

Monday, Tuesday, Thursday, Friday

Work for the week will be varied, taking into consideration ages of participants, abilities/skills and needs within the community. Projects will be discussed with leaders prior to arrival. Some possible projects include painting, clean-up, building, working with children. *Our goal is to make a difference by showing love in action.*

After working for the day within our community, we will shower at our local YMCA and then gather for dinner followed by a worship service. Our own praise band, *Fire Within* will be leading us in songs. Each night a different speaker will be presenting. After worship more interactive fun, and then lights out at 11:00.

Our Mission:

Aldersgate United Methodist Church welcomes and leads all people to Jesus Christ in order to **Encourage** them to worship; **Enrich** them through Bible study and prayer; and, **Empower** them through giving, fellowship and service that touches the lives of others.

Wednesday:

FUNDAY SURPRISE– More information to come

SATURDAY CELEBRATION:

Saturday will mark the end of our week together. We will gather in celebration to worship together and participate in communion. This will be an opportunity for our participants to share about their week and how God was seen during that week.
